Registration may be required as a condition of extended contractual coverage where permitted by applicable law. Where registration records are unavailable, KAISTEEL may require reasonable proof of purchase, shipment, installation date, and product identity before processing a claim.

8. Limitation of Liability

To the maximum extent permitted by applicable law, KAISTEEL's liability under this Limited Warranty is limited to repair or replacement of the covered defective component or, at KAISTEEL's discretion, a refund not exceeding the original purchase price paid for that component. KAISTEEL is not liable for indirect, incidental, special, punitive, or consequential loss, including loss of use, loss of business, loss of profit, project delay, or damage to other property, except to the extent such liability cannot lawfully be excluded or limited.

Nothing in this Certificate excludes, restricts, or modifies any statutory guarantee, remedy, or consumer right that cannot lawfully be excluded, restricted, or modified in the applicable jurisdiction.

9. Transferability

This Limited Warranty applies to the original purchaser and may be transferred once with the product only where KAISTEEL confirms the transfer in writing and the product can be identified by its original serial number and purchase records. Mandatory statutory rights remain unaffected.

10. Governing Law

This Certificate is governed by the laws of the Hong Kong Special Administrative Region, subject to any mandatory laws of the destination market that apply and cannot lawfully be excluded by agreement.
